

Accruent for Retail

STAY COMPETITIVE IN THE RETAIL MARKETPLACE

As retailers continue to innovate, optimize their footprint and expand internationally, they need a partner to help them drive their entire real estate and facilities lifecycle. This includes everything from becoming FASB/IASB compliant, to gaining revenue weeks back in site openings, and reducing maintenance and repair spend down to the store level. Accruent partners with retailers to get to market faster and increase revenue by giving them the ability to gain efficiencies and focus on customer experience.

Drive efficiencies at the store level from leases to every day maintenance
