Asset Category Codes with Risk Value

Departmental PM Percent Completion for Biomed

REPORT DESCRIPTION

Completion Percentage for PM Work Orders for a given date range. Grouped by Account Code and listed in numerical order. Uses Date Available for report inclusion and total number completed/open for completion percentage.

This is not a standard report included within TMS OnSite/TMS OnLine. It can be developed using the C1 Report Designer software provided by Four Rivers Software should you have the resource to do so. Additional documentation to guide you through the development of the report will be provided upon request. If you would like modifications to the report as shown, a report creation request may be submitted to our Services Department via techsupport@frsoft.com for creation and delivery to you. The below listed fields are all standard fields used within TMS.

INFORMATION IN USE

- Work Order Number
- Account Description
- Work Order Description
- Asset Number
- PM Schedule Due Date
- Date Completed
- Completion Comments

REFERENCE ITEMS

- Clear descriptions on the PM Schedules for reflection as work order description
- Ensure correct statuses are used:
- Active
- Complete or Closed
- Effective management of PM type work orders; ensure completion data is entered when completing / closing work order

IMPORTANT NOTE

Failure to correctly enter completion dates when setting a work order to complete / closed will cause incorrect/unnecessary negative results within the report.
