

ONE-CLICK DESK BOOKING

Book a desk or workspace – fast

Quick and easy workspace booking is yours with Accruent EMS Flex – intuitive, SaaS-based booking software for reserving the perfect desk at the office. EMS Flex uses employee preferences to create effortless experiences. It knows your preferred workspaces and the people you collaborate with, and then automatically suggests optimal spaces to maximise productivity and space utilisation.

Rapid desk and workspace booking

Colleague locations for increased collaboration

User preferences improve booking recommendations

Easy implementation delivers value quickly

ENJOY A FAST, FRIENDLY DESK BOOKING EXPERIENCE

Is your space being managed in the best ways possible? EMS Flex makes hybrid work seamless, streamlines collaboration, and creates workspace bookings in as little as one click.
