

LUCERNEX: LX PROJECTS MOBILE

Enable your teams in the field

Lx Projects Mobile, part of the Lx Projects construction project management solution, is a versatile mobile app that enables construction teams to easily manage key tasks via their mobile device while on site.

Save time and reduce errors to maintain project schedules

Streamline communication and keep project information accurate, up to the minute

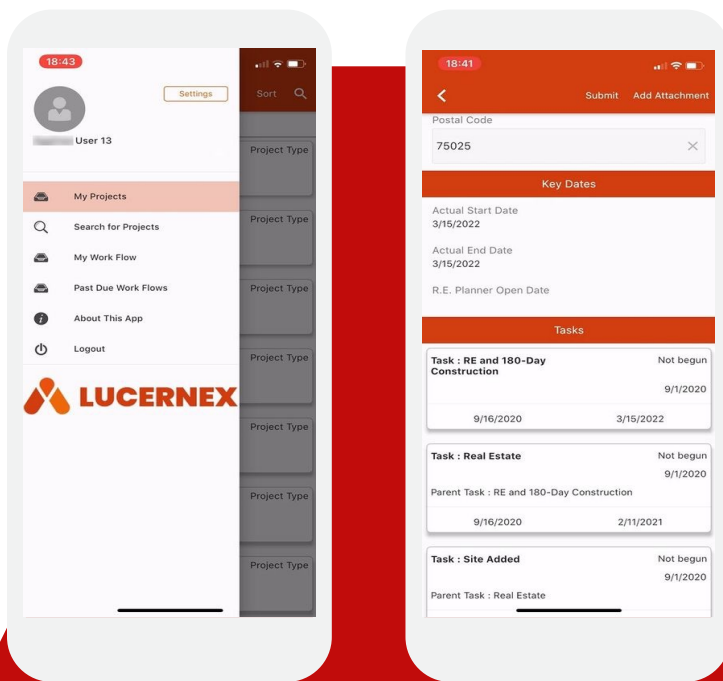

Keep team members socially distanced, safe, and productive

WITH THIS POWERFUL MOBILE EXPERIENCE, USERS EASILY:

- Access projects assigned to them
- View and edit key dates, schedules, and tasks
- Upload and view images and documents
- Access approval requests

STANDOUT CAPABILITIES

Lx Projects Mobile is purpose-built for integration with Lx Projects, the powerful construction project management solution.

- Streamline document management processes
- Upload images on-site
- Prevent mishaps with a defined schedule management module
- View PDFs, images, and other documents at your fingertips
- Set and modify approvals easily and effectively
- Work with various systems through a device-agnostic platform
