

Lease administration and accounting software for real estate and equipment leases

WHY LUCERNEX?

Lucernex provides cloud-based real estate lifecycle, lease accounting and lease compliance solutions to large companies around the world. Delivered on a cloud-based, single database platform to eliminate expensive and time-consuming software upgrades.

It is the market leader in helping customers mitigate risk through regulatory compliance of the latest IFRS16/ FRS102 and FASB standards, verified by the third party accounting firm, Skoda Minotti.

Lucernex empowers you to meet your growth, market planning, site selection, project and contact management, lease accounting and facilities management strategies

“We selected the Lucernex Lease Administration and Accounting solution over several competitors due to its superior technology, fast performance and easy navigation.”

About Accruent

Accruent is a global software company that helps organizations achieve superior performance by transforming how they manage their physical resources. Its innovative, industry-leading cloud-based software and services enable organizations to optimize all stages of real estate, facilities and asset management, from capital planning through to IoT-based monitoring and control. With a proven track record across two decades, Accruent has created the only integrated SaaS-based framework and reporting platform for full lifecycle physical resource management. More than 10,000 global customers depend on Accruent solutions to drive out hidden costs, extend asset lifecycles, protect their brands, ensure compliance and deliver on the missions of their organization. Headquartered in Austin, Texas, Accruent serves a wide range of industries in more than 150 countries around the world.
