

# Sample of Risk Report

## REPORT DESCRIPTION

---

This is not a standard report included within TMS OnSite/TMS OnLine. It can be developed using the C1 Report Designer software provided by Four Rivers Software should you have the resource to do so. Additional documentation to guide you through the development of the report will be provided upon request. If you would like modifications to the report as shown, a report creation request may be submitted to our Services Department via [techsupport@frsoft.com](mailto:techsupport@frsoft.com) for creation and delivery to you. The below listed fields are all standard fields used within TMS.
